Re: Pacific Gas and Electric Company's Kilarc-Cow Creek Hydroelectric Project under P-606

Dear Madam Secretary –

I wish to be added to the mailing list for information regarding filings and submissions on your docket number P-606, the Relicensing/Decommissioning of the PG&E projects at Kilarc and South Cow Creek in Shasta County, California. I am an interested party with water rights from both the Abbott ditch (a party to the same adjudication providing water to the PG&E project on South Cow Creek) and directly from South Cow Creek below the PG&E project. I am also currently attending the PG&E sponsored public meetings, PG&E sponsored technical meetings and am preparing to attend the PG&E sponsored legal meetings to address water rights issues within the above mentioned project.

My mailing/contact information is as follows:

Erik Poole  
26526 South Cow Creek Road  
Millville, CA 96062

(phone) 530 547-5464

Thank you for your time and attention to this matter, which will greatly help me to stay informed, and keep my fellow concerned citizens with water rights informed and up to date on this process.

Best regards,

Erik Poole
