**Dear Ms. Francis:**

On June 15, 2009, you filed a request to meet with Commission staff concerning an alternative proposal by Tetrick Ranch to the Kilarc-Cow Project, FERC No. 606, license surrender application. Your filing did not elaborate on the nature of your proposal.

We do not believe that a meeting is needed at this time. Any alternative proposal that you have should be filed by the established comment deadline of July 13, 2009. We will be having public meetings after that date at which you may offer any further explanation to Commission staff and others about your proposal.

For the above reasons, we must deny your request for the July meeting.

Sincerely,
